News Letter  
2019-2020  
VOLUME 4 ISSUE 1

**2019-2020 ODD SEM**  
**1st August 2019-31st December 2019**

His Holiness Padmabhushana  
**Sri Sri Sri Dr. Balagangadharanatha**  
**Mahaswamiji**

His Holiness  
**Sri Sri Sri Dr. Nirmalanandanatha Mahaswamiji**  
Present Pontiff  
Sri Adichunchanagiri Mahasamsthana Math

## **VISION**

BGSIT is committed to the cause of creating tomorrow's engineers by providing quality education and inculcating ethical values.

## **MISSION**

1. Imparting quality technical education by nurturing a conducive learning environment.
2. Offering professional training to meet industry requirements.
3. Providing education with a moral - cultural base and spiritual touch.

### **Principal Message:**

I am very happy to know that the department of E&C bringing out their Departmental magazine, Many events take place in an engineering college during the semester that goes unnoticed by those not directly involved. This magazine lets everyone in college know about the Activities. This is an easy and accurate way of recording important events that have been conducted in college and this information can be used for the purpose of NAAC, NBA or other accreditation process. It is also a platform which helps as disseminating the information to

all the Stakeholders i.e., Parents, students, Teachers, Industrialists & public at large.

The placement activities have been the highlight of BGSIT, with over 50+ reputed companies from different fields of engineering & Management visiting the campus & as many as 356+ offers being received by our students.

Thanks & Best Wishes to the Editorial committee for having brought out this Departmental magazine.

---

### **HOD'S Message**

As head of the department, I would like to congratulate the coordinators for bringing this issue of the departmental magazine. The Electronics and Communications Engineering department strives for academic excellence through experienced and dedicated faculty. In this context, the department magazine becomes a platform to create an atmosphere that promotes creativity and innovation in all the areas of electronic and communication engineering. Personally, I believe that this magazine is a platform for every member in the department both faculties and

students in order to create, share, and use new knowledge. With this message I wish the coordinators all the best for their future projects. Let this be a platform to explore new trends and gain new ideas.

## DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

### VISION

To develop high quality engineers with technical knowledge, skills and ethics in the area of Electronics and Communication Engineering to meet industrial and societal needs.

### MISSION

1. To provide high quality technical education with up-to-date infrastructure and trained human resources to deliver the curriculum effectively in order to impart technical knowledge and skills.
2. To train the students with entrepreneurship qualities, multidisciplinary knowledge and latest skill sets as required for industry, competitive examinations, higher studies and research activities.
3. To mould the students into professionally-ethical and socially-responsible engineers of high character, team spirit and leadership qualities.

### Program Educational Objectives (PEO's)

1. Engage in industrial, teaching or any technical profession and pursue higher studies and research.
2. Apply the knowledge of Mathematics, Science as well as Electronics and Communication Engineering to solve social engineering problems.
3. Understand, Analyse, Design and Create novel products and solutions.
4. Display professional and leadership qualities, communication skills, team spirit, multidisciplinary traits and lifelong learning aptitude.

### PROGRAM SPECIFIC OUTCOME (PSO's):

After 3 to 5 years of graduation, the graduates of Electronics and Communication Engineering will –

1. Engage in industrial, teaching or any technical profession and pursue higher studies and research.
2. Apply the knowledge of Mathematics, Science as well as Electronics and Communication Engineering to solve social engineering problems.
3. Understand, Analyze, Design and Create novel products and solutions.
4. Display professional and leadership qualities, communication skills, team spirit, multidisciplinary traits and lifelong learning aptitude.

### Program Specific Outcomes (PSO's)

1. To apply the knowledge of Electronics and Communication Engineering as well as automation tools to create electronic circuits, systems and solutions.
2. To collaborate effectively with Electronics and Information Technology industries through internship, induction, technical seminar, technical project, research, product design and development, industrial visit, staff training in order to provide the actual industrial exposure to students and faculties.

## Toppers in Odd semester 2019-2020

### 7th semester

**SAHITHYA C**

**KAVYA R**

**HARSHITH M S**

### 5th Semester

**PRIYANKA M K**

**VANITHA M R**

**SUSHMITHA R**

### 3rd Semester

**YASHWANTH GOWDA P**

**POORNIMA B N**

**ASHA H N**

## Events

### ALUMNI MEET

Punarsangama 2019 – Alumni meet was organized by Dept. ECE on 4th March 2019.

### ACU INDUCTION

On 28-08-2019 "Induction Programme for Freshers" was organized by ACU-BGSIT for BE First year Students for the academic year 2019-20. Dr. Gururaj, Chairman, Academy for Creative Teaching, Sri E.S. Chakravarthy, Global Head-RMG, TCS, and Sandeep Patil, DIG and Joint Commissioner, Bangalore Police were invited as Guests for the Programme.

## GRADUATION DAY

On 10-10-2019 "Graduation Day" was organized by BGSIT for BE Fourth year Students for the academic year 2018-2019 . Toppers of the 8th Semester – Sneha M P, Kushwanth R, Lohith M were honoured and felicitated with Academic Excellence Award. Best Teacher award of the year 2018-19 was given to B.S. Balaji, Puneeth Kumar G.B, and Nandini S.

## SOCIAL EVENTS

### WORLD ENVIRONMENT DAY

Plant a tree to save the earth as we are directly responsible for our own environment. Department celebrated World Environment Day on 05th June 2019 by planting trees.

## TEACHER'S DAY

On 5th September 2019, Teacher's Day was celebrated by our students at BGSIT Teaching Block.

## ENGINEER'S DAY

On 15th September 2019, Sir M. Visvesvaraya Birth Anniversary was celebrated as Engineer's Day at BGSIT Seminar Hall.

## RAJYOTSAVA

On 01.11.2019 Kannada Rajyotsava celebration was organized at BGSIT Seminar hall. The celebration was initiated by lighting lamp.

## DEPARTMENT ACTIVITIES

### 3-DAY ENTREPRENEURSHIP AWARENESS CAMP

A three Entrepreneur Awareness Camp was organized by Dept. ECE from 12th to 14th November 2019. It was inaugurated by – Mr. Surendra MD, Nuetech Solar Systems, Mr. Ananth CEO, Nuetech Solar Systems. On Day 1 Session 2 was conducted by Mr. Praveen John, MD Alpha & Omega INC. On Day 2 an Industrial visit was arranged to Nuetech Solar Systems in in Sukundakatte, Bengaluru. On Day 3, Mr Rayudu MD, Masters PU College Hassan addressed the participants about the significance of entrepreneurship as job giver and startups.

## INDUSTRIAL VISIT

On second day of Entrepreneur Awareness Camp, an Industrial Visit was organized on 13-11-2019 for ECE students and faculties, to Nuetech Solar Systems in in Sukundakatte, Bengaluru

## TECHNICAL TALK

On 28-04-2019 Dr. G.N. Keshava Murthy, Assistant Professor, Dept ECE, SIT, Tumkuru gave a talk on “Transducers, Smart sensors and their applications”.

On 20-11-2019, Dr. Shobha B N, Professor Head, Dept. ECE, SJCIT gave a talk on “Artificial Neural Network” and educated about use of ICT in education by providing a brief introduction on “Google Classroom”

On 19-12-2019 Dr. Nagaraju C, Assistant Professor, Dept ECE, NIE Mysuru gave a talk on “Medical Image Processing & its applications in Engineering Fields”.

On 19-12-2019 Dr. Punith Kumar M B, Assistant Professor, Dept ECE, PESCE Mandya gave a talk on “VLSI and its applications”.

On 26-12-2019 Bhavya Narasimhamurthy, Founder, Pentaion Technology Pvt. Ltd, Bangalore gave a talk on “Student Empowerment & Excellence Development Program”.

16	Hamsashree M K	Udemy	2019-20	Specialization in Java
17	Lakshmi D L	Udemy	2019-20	Arduino Interfacing
				AC&DC Analysis of Diodes
				Practical IOT using Arduino UNO and ESP
				Microcontroller and C programming Language

## STUDENT ACHIEVEMENTS

### MAKER'S SPACE 2019

Students took part in 24 hours Makerspace (Hackathon) competition conducted by Infosys Mysore on 7th and 8th September 2019. Team members include – Abhilash K Biradar, 3rd Year 4BW17EC001, Archana S, 3rd Year 4BW17EC011, Tejashree N H, 3rd Year 4BW17EC103, Prajwal R, 3rd Year 4BW17EC068, Priyanka C, 4th Year 4BW16EC072.

## CULTURAL

### PRAJWALANA

Students take active part in all the cultural events and showcase their talents in singing, dancing, sports and fashion show etc.

## PLACEMENT AND TRAINING

### TCS CSR IT EMPLOYABILITY PROGRAM – 2019-20

A unique program named – Corporate Social Responsibility of Tata Consultancy Services is being conducted in the campus for a selected batch of 48 students. The 80 hour employability training is being conducted by extremely competent trainers. A specialized course module has been designed to develop an individual's communication skill, numerical and analytical abilities and it enables one to face interviews confidently. Grooming and etiquette sessions familiarize a candidate with corporate environment. An overview of basic computer applications is also incorporated.

### PLACED STUDENT LIST - 2019

<i>PLACEMENT DATA YEAR 2018-19</i>
